Threat Against Foreigners in Southern Mindanao

The U.S. Embassy wishes to alert U.S. citizens that a credible threat against foreigners has been identified in southern Mindanao. Individuals associated with known extremist groups are believed to have been conducting surveillance on public shopping malls and western-based cafés in the area, as possible targets of interest.

Extremists may elect to use conventional or non-conventional weapons, and target both official and private interests. Examples of such targets include high-profile sporting events, residential areas, business offices, hotels, clubs, restaurants, places of worship, schools, public areas, and other destinations frequented by foreigners.

As a result, the Embassy advises all U.S. citizens residing in the southern Mindanao area to exercise extreme caution and re-evaluate their personal safety situation. The Embassy strongly reiterates its recommendation that U.S. citizens exercise extreme caution when travelling to Mindanao and to keep personal safety and security in mind during any stay in Mindanao. For more information on security conditions in Mindanao, please refer to the July 4, 2013 Travel Warning for the Philippines that is posted on our web site, <http://manila.usembassy.gov/tw7513.html>.

The Embassy wishes to remind all U.S. citizens to remain vigilant and maintain an appropriate level of personal security in all circumstances by reviewing your personal safety plans; remaining aware of your surroundings, including local events; and monitoring local news sources for updates.

The Embassy is located at 1201 Roxas Boulevard, Manila, Philippines and is open 0730-1600, Monday through Friday. The Embassy's main telephone number is (632) 301-2000. American citizens needing to speak to the Embassy can dial this number and ask to be connected to the American Citizen Services (ACS) unit or with the Embassy Duty Officer (for calls outside of normal business hours). You can also contact the ACS unit through email at ACSInfoManila@state.gov or through the Embassy Facebook page. Please visit our website for information on all services offered by the ACS unit.

We strongly recommend that U.S. citizens travelling to or residing in the Philippines enroll in the Department of State's Smart Traveler Enrollment Program (STEP) program. Registering gives you access to updated information on travel and security within the Philippines and makes it easier for the Embassy to contact you in case of emergency. If you don't have Internet access, enroll directly at the nearest U.S. Embassy or consulate.
